LOAVES & FISHES TRIVIA NIGHT

The TALX Employer Services Support Team is hosting it's Second Annual fundraising event to benefit Loaves & Fishes! Loaves & Fishes is a shelter for women and children in the Maryland Heights area, and with the money raised at last year's event we were able to completely renovate their main living area! This year's event will be a trivia night, and with your help we can make this year's project even bigger and better than last year! Space is limited, so reserve your seat today!
